

CUSTOMER EXPERIENCE DEALERSHIP PHOTO COMPETITION

BIG RIVER NISSAN

The Customer Experience team ran a fantastic Dealership photo competition over December and January. Dealerships we asked to gather as many team members as possible and take a photo using the festive props provided by the CE department. They were also asked to write in 30 words or less what makes their team stand out to customers. The prize a \$250 AC eftpos card for each team member in the photo and 10 x \$100 AC eftpos cards to surprise some loyal customers.

There were some fabulous entries which showed great teamwork, creativity, and personality. These are some of the many reasons why customers keep coming back to Nissan and recommending Nissan to family and friends.

The vote was based on "most creative" and the Customer Experience team had a tough job deciding on the winner.

**The winner is BIG RIVER
NISSAN, from South Australia!**
Great job!
