AC16
NISSAN AMBASSADOR CLUB

ASIA 2017 Service Manager Study Tour Thailand & Vietnam

Nissan Ambassador Club is proud to announce that 20 top performing Service Managers from 1st October 2016 to 31st March 2017 will be invited on an amazing tour of Thailand and Vietnam to explore the home of the Nissan NAVARA.

This exciting program will provide a week-long tour of the region including visits to the NAVARA manufacturing plant and Nissan Motors Thailand Parts Warehouse.

To attend the Study Tour, your dealership must be in the group of the highest performing dealers or most improved dealers for CE Service Recommendation, Customer Follow-up & Satisfaction and Nissan Genuine Parts sales at the completion of the program period.

Positions Available	
Category A Dealer Service Managers	9
Category B Dealer Service Managers	7

How to Win

To be in the running to be invited on the Study Tour, points will be awarded based on the highest and most improved (September 2016 R6M vs. March 2017 R6M) Customer Experience Results for the metrics of Service Recommendation, Customer Follow-up and Follow-up satisfaction. Points will also be awarded based on an increase on specified routine maintenance parts (as per the attached listing) purchases over the program period in comparison to the previous 6 months.

Points can be earned from the three separate measures below:

Measure 1: Dealer CE Target Achievement

Points Metric	CE Achievement Points	Target	Above National Target score	110%+ of target	Top 20% of dlr category
1	Service Recommendation Target achievement	69%	100	200	300
2	Customers Followed up Target Achievement	80%	100	200	300
3	Satisfaction of Follow up Achievement	76%	100	200	300

Measure 2: Dealer CE Improvement

Points Metrics	CE Improvement points (Sept-16 R6M vs March-17 R6M)	100% - 109%	110- 119%	120% +
1	Improvement of R6M Service Recommendation	50	100	150
2	Improvement of R6M Follow up	50	100	150
3	Satisfaction of Follow up Improvement	50	100	150

Measure 3: Use of Genuine Nissan Service Parts

Points will be awarded for dealers achieving an increase of specified Genuine parts purchases compared to the prior 6 month period (April 2016 to September 2016 Vs. October 2016 to March 2017).

Greater Nissan Genuine parts purchases for April 2016 - Sept 2016 vs Oct 2016 - March 2017		
105% - 109%	110% - 119%	120% +
100	150	200

Refer to National Dealer Bulletin NDB 158-16 for further scoring information.

Qualifying Criteria

Minimum Survey Count	
Category	Survey Count per Dealer per month
A	40
B	25
C	10

- The Service Manager must be registered in the AC16 program.
- The registered Service Manager for this study tour must have completed the NSSW Service Process training modules.
- The Service Manager must be employed at the one dealership for the entire program period (1/10/16 – 31/3/17).
- Dealer must achieve R6M target on the following Customer Experience metrics by 31/3/17:
 - Service Recommendation target (69%)
 - Follow Up target (80%)
 - Satisfaction of Follow Up target (76%)
- Dealer can demonstrate consistent use of Service Invoice folders (SDM assessment)
- Dealer is consistently washing all myNissan Service Certainty vehicles (SDM assessment)
- A minimum score of 80% is achieved on a condensed list of Aftersales Dealer Operating Standards. List will be published within the program overview National Dealer Bulletin.

Additional Information

- Program points will be tracked throughout the program period via the Ambassador Club Newsletter, showing the relative rankings at the end of each Month. The final points tally will be calculated on the full 6 Month period at the end of March.
- Participant qualification will be applied at the conclusion of the program unless otherwise specified.
- It is the responsibility of each participant to ensure that they satisfy the qualifying criteria.
- Please consult your Service Development Manager for any clarification on the criteria.
- Dealers with combined Parts purchases will be assessed as a group for the purpose of the Parts points allocation.

Tiebreaks

- In the case of a Tiebreak, the Service Manager with the highest dealership Service Recommendation result over the program period will be awarded with an invitation to the Study Tour.
