MEMBER GUIDE

Best place to start is with the member guide providing you the best understanding of the program; you can shortcut via department tabs to see metrics, training, and criteria. Reading further gives you an insight into awards and more.

MY DASHBOARD – your performance snapshot

Here you can view everything on a single page, from points earned current and Loyalty and check your goal for this year. View from top to bottom here and then check if you missed anything below...

How and what to search in MY DASHBOARD...

- Top graph shows individual monthly points including registration and excellence
- Bottom graph shows monthly points per metric – run the mouse over columns
- Leader Board preview – your name is your link to Status Rankings page
(Platinum rank applies to Sales and Fleet only - refer member guide)
- Wheel of Awards – view your progress and reward base – criteria completion compulsory
- Righthand boxes:
 - Current month Ranking is your place in your State
 - Year to date Points – performance achievement in metrics for current program
 - Loyalty points – Your total performance achievement points earned over current and past ELITE programs representing your Loyalty to the Brand. Click through to see your points history with Nissan.
 - Dealer Excellence – 2000 bonus points if your dealership achieved Excellence last year
 - Register Now – registration is compulsory, direct link to register here
(email confirmation is your proof of registration; site is not automatic update)
 - Training – direct link to the Academy to check you have completed criteria
 - Criteria check – direct link to member guide to view compulsory criteria for Reward
 - FY19 link providing a comparison in achievement year to year.

METRIC PAGE -

- Access via index bar or on MY DASHBOARD by bottom graph heading:
POINTS EARNED PER MONTH (VIEW INDIVIDUAL RESULTS)
- Lefthand side - Each graph clearly shows monthly metric result and points
- Righthand side – guide sets out the required achievement level to earn points
- guides and notes – clearly show points available, and compulsory CRITERIA requirements

$$\text{ELITE Points} + \text{Criteria completion} = \text{Reward at 31 March}$$

INDEX BAR

- Your avenue to all that is ELITE, click on every tab and learn more about ELITE
- MY TEAM – available to all Managers to check their team members performance

ACCOUNT – Check your details

ELITE is guided by your information enrolled on the Dealer Management Portal, if your information is incorrect there it will be incorrect for ELITE. Our communication is vital to you in maximising your ELITE points throughout the year. Check your details ...

- Advise our Service Team at info@nissanelite.com.au immediately of any change
- Your original registration number (first enrolment on portal) is your lifetime registration number with Nissan.
- If you change dealership your original registration number goes with you, simply advise the new dealership of your number and they will transfer it for you. Your ELITE points and training history travel with you on your original registration number to ensure your achievement is recognized and awarded.

Best practice at the start of each program launch (program period: **1 April – 31 March**) is to read the member guide. As a shortcut select your department tab; this maximises your ability to earn points throughout the program year. Earlier you complete the more points earned with quarterly metrics on offer, especially in training. Criteria is a must and guarantees your success for end year reward.

With this information giving a better understanding of the program, I hope you can see the benefit in participating in our very long-standing program. With members attaining up to and over 500,000+ points over their engagement with ELITE and inducted to our highest ELITE award THE GUILD – PLATINUM. Our 5-day service centre is here to assist, and we look forward to working with you. *ELITE recognizes your individual achievement!*
