Who is a Sales Manager?

A Sales Manager is defined as a person who is registered in the Nissan Academy under this role and manages at least one Retail Sales Consultant/Fleet Sales Executive in a Dealership that sold 100 or more new Nissan vehicles in the 2023 calendar year. Any member not fulfilling this requirement is deemed to be a "Retail Sales Consultant" for the purpose of the 2024 Program. General Sales Manager – Dealerships with NO Sales Manager enrolled on the Nissan Dealer User Management Portal can nominate to enrol as Sales Manager but must contact the ELITE Service Centre to advise. On confirmation they will earn points under this role.

Who is a Stock Controller?

A Stock Controller is defined as a person who is registered in the Nissan Academy under this role and is currently employed in a Nissan Dealership. The Stock Controller typically acts as the head of vehicle logistics, and oversees the delivery and ordering of vehicles, entering sales data (OW, Enquiry & Matched) and retailing the vehicle in Niscom. While a Stock Controller may act on behalf of one or more Nissan Dealerships the Nissan ELITE will reserve one place per individual assigned to a dealership to earn points throughout the Program period. In the case where a Stock Controller is acting on behalf of more than one dealership (such as a dealer group), we will assign that Stock Controller to the dealership with the higher expected FY23 sales volume using the Nissan Planning Pack. Any person not fulfilling these requirements is deemed to be ineligible for the purpose of the ELITE.

Who is a F&I MANAGER?

A F&I Manager is defined as a person who is registered in the Nissan Academy under this role (noting (ext-franchise) is ineligible) and is currently employed in a Nissan Dealership which holds a signed, and current retail agreement with Nissan Financial Services Australia Pty Ltd ("NFSA"), has successfully completed all necessary NFSA training requirements including the NCCP training module and police check, is a holder of a current NFSA 'Nissan Access system' log-in for the Dealership and holds a F&I Manager student category with active status in the Nissan Academy. Any member not fulfilling these requirements is deemed to be ineligible for the purpose of the ELITE Program.

Who is a Fleet Sales Executive?

A Fleet Sales Executive is defined as a person who is registered in the Nissan Academy under Fleet Manager or Fleet Sales Consultant and conducts the day to day Fleet business within the sales department and works directly with Business, National Fleet, not for profit, Premium Fleet and Government sales types as described in the Nissan Fleet Plan date April 2024. Both roles are allocated the same point earning structure. Any member not fulfilling this requirement is deemed to be ineligible for the role within the ELITE.

Who is a Retail Sales Consultant?

Who is a Parts Manager?

A Parts Manager is defined as a person who is registered in the Nissan Academy under this role and manages the Parts Operations in a Dealership. Any member not fulfilling this requirement is deemed to be ineligible for the purpose of the ELITE.

This is a fulltime role with a minimum 4 days per week of direct contact with Trade Customers as described in Aftersales Policy AS03 1.0. Parts Managers are ineligible to be nominated as a Parts Sales Representative. Any member not fulfilling this requirement is deemed to be ineligible for the purpose of the ELITE.

What about Dealer Principals?

Dealer Principals are automatically registered into the Nissan ELITE via FY23 ELITE Dealer Excellence. Dealer Principal ELITE Status will be measured based on the FY23 ELITE Dealer Excellence rank in each category A, B and C. Refer to page 3 for more information.

Sales Managers, Retail Sales Consultants and Fleet Sales Executive ("Consultants/Executives") – additional requirements for earning points

In addition to the criteria listed in the 2024 Nissan ELITE Guide, the following applies in relation to the earning of points in the ELITE program.

- Only New Nissan vehicles sold and registered on iNiscom during the 2024 program will qualify Consultants/Executives for points or be counted towards meeting a Sales Manager's target.
- Demonstrator and Courtesy vehicles will only qualify Consultants/Executives for points where the status of that vehicle was changed from "Demonstrator" to "Retail" on iNiscom prior to its sale. Demonstrator and Courtesy vehicles count in the total number retails vs target for Sales Managers.
- "House Sales" will be counted towards meeting a Sales Managers target; however, Consultants/Executives will not qualify for any points in relation to "House Sales".

F&I MANAGERS – additional requirements for earning points

Only Nissan Insurance branded products are eligible for Nissan ELITE points & recognition. Only Nissan Insurance eligible new business policies sales attract points. Nissan Insurance motor vehicle insurance renewals do not attract points. Sales will be reported on bound policies processed in the month up to the last Friday of each month. Sales processed after this close off period will be carried forward to the following month. Nissan Dealers must hold an active Corporate Authorised Representative agreement with Allianz Australia Insurance Pty Ltd (as the underwriters of the Nissan Insurance products). Nissan Dealer staff offering Nissan Insurance products must have completed the required compliance training with Allianz Australia Insurance Pty Ltd relevant to the products being offered to customers. Nissan Insurance policies that are cancelled within the customer cooling off period will have points deducted from the following months result. The decision of Nissan Australia/Nissan Financial Services on all matters relating to Nissan Insurance and Nissan ELITE is final; no correspondence will be entered into.

Transfers

Members must notify the Nissan ELITE Service Centre as soon as possible when changing position within a Dealership or transferring to another Dealership.
Transferring members will retain their unique Nissan ELITE membership number (Nissan Registration Number) at all times to ensure lifetime points are applied.
Nissan ELITE membership numbers are exclusive to the individual member and points or sales are not transferable from one member to another. Any member who pools their sales achievements with other members will be disqualified from Nissan ELITE for the ELITE year.

Receiving Awards and Rewards
