PARTS MANAGER STUDY TOUR

Ambassador Club Tour China with Nissan Parts Manager Study Tour

Nissan are offering a once in a lifetime opportunity to 20 top performing Parts Managers to see the incredible sights of Beijing and Shanghai!

The study tour will include the following activities where you will be able to immerse yourself in two of China's cultural hubs:

- See the famous Tiananmen Square
- Go to the Great Wall of China
- Stay in luxurious 5 star accommodation
- Join in on fun and adventurous team building activities

Travel Destinations:

Shanghai

Shanghai has a long history as a gateway to China on the Yangtze River delta. It is the largest economic and trade centre in China, and one of China's cultural centres. Shanghai retains China's last vestige of its unusual colonial past. The architecture along the Bund waterfront area is a living museum of the colonial history of the 1800s. The Pudong district with its prosperous cosmopolitan features is guaranteed to impress.

Beijing

Beijing, China's massive capital, has history stretching back 3 millennia. It's known as much for its modern architecture as it is for its ancient sites such as the grand Forbidden City complex, the Imperial Palace during the Ming and Qing dynasties. Nearby, the massive Tiananmen Square pedestrian plaza is the site of Mao Zedong's mausoleum and the National Museum of China, displaying a vast collection of cultural relics.
