NEW FOR 2021

CUSTOMER EXPERIENCE - HOT ALERT - SINGLE MONTH

A Hot Alert is generated within the CE portal to notify Dealerships that they have received a detractor survey (Which is an Overall Satisfaction score of 0-6), and that the customer has requested to be contacted by the Dealership. When a Dealership has successfully followed up on a Hot Alert, they can close the Hot Alert and generate a follow-up survey which can override the original scores provided by the customer.

Refer information link <https://vimeo.com/523734643/b783aa1728>

What do you do with a Hot Alert?

- Each Dealership should have a nominated staff member who is empowered to action Hot Alerts by

1. Reading the customer's feedback and working with the relevant Dealership staff members to understand the root cause of the issue
2. Contacting the customer to acknowledge that their feedback has been received and to further understand the customer's concern
3. Offering a solution to the customer to resolve their concern
4. Closing the Hot Alert

Hot Alert Management Target = 0 Abandoned Alerts!

(Sales Managers can be rewarded for either not having any Hot Alerts at all, or not having any Abandoned Alerts)

2021 Nissan ELITE operates from 1/04/2021 to 31/03/2022.

Who is a Sales Manager?

A Sales Manager is defined as a person who is registered in the Nissan Academy under this role and manages at least one Retail Sales Consultant/Fleet Sales Executive in a Dealership that sold 100 or more new Nissan vehicles in the 2020 calendar year. Any member not fulfilling this requirement is deemed to be a "Retail Sales Consultant" for the purpose of the 2021 Program. General Sales Manager – Dealerships with NO Sales Manager enrolled on the Nissan Dealer User Management Portal can nominate to enrol as Sales Manager but must contact the ELITE Service Centre to advise. On confirmation they will earn points under this role.

Who is a Stock Controller?

A Stock Controller is defined as a person who is registered in the Nissan Academy under this role and is currently employed in a Nissan Dealership. The Stock Controller typically acts as the head of vehicle logistics, and oversees the delivery and ordering of vehicles, entering sales data (OW, Enquiry & Matched) and retailing the vehicle in Niscom. While a Stock Controller may act on behalf of one or more Nissan Dealerships the Nissan ELITE will reserve one place per individual assigned to a dealership to earn points throughout the Program period. In the case where a Stock Controller is acting on behalf of more than one dealership (such as a dealer group), we will assign that Stock Controller to the dealership with the higher expected FY20 sales volume using the Nissan Planning Pack. Any person not fulfilling these requirements is deemed to be ineligible for the purpose of the ELITE.

Who is a F&I MANAGER?
