INTRODUCTION

WELCOME TO NISSAN ELITE.

This Nissan network-wide annual program will:

- recognize your high performance and loyalty to the Nissan brand

Matched OW compliance is measured on sales types: R, B, I, E, U, G, T, O. We take the total number of retails for the month and minus total Matched Order write (OW Expected Delv date) for that same month to determine the matched OW variation.

REGISTRATION VS RETAIL COMPLIANCE

Ensure that at least 90% of the dealership's retails are registered (with the relevant state/territory road authority) in the same month as the retail. This check is made using NEVDIS data vs NISCOM mainframe retail data. In order to account for VFACTS timing we will use a rolling 3 month (R3M) measure applied monthly.

CUSTOMER EXPERIENCE

Quality Voice of Customer

Please refer to the InMoment platform to track your performance. For Stock Controllers the Dealership Total score is used. Measurement Period Rolling 3 months score used.

Survey % Response

The response rate is measured via the InMoment 3.0 Sales/Service Data Quality - as reported on the second working day of the following month.

It's a calculation of - Completed surveys divided by the Delivered surveys, as shown within the InMoment CE portal. Sales Managers role will use Dealership Total Survey Response % each month.

A Stock Controller is defined as a person who is registered in the Nissan Academy under this role and is currently employed in a Nissan Dealership. The Stock Controller typically acts as the head of vehicle logistics, and oversees the delivery and ordering of vehicles, entering sales data (OW, Enquiry & Matched) and retailing the vehicle in Niscom. While a Stock Controller may act on behalf of one or more Nissan Dealerships the Nissan ELITE will reserve one place per individual assigned to a dealership to earn points throughout the Program period. In the case where a Stock Controller is acting on behalf of more than one dealership (such as a dealer group), we will assign that Stock Controller to the dealership with the higher expected FY24 sales volume using the Nissan Planning Pack. Who is a Fleet Sales Executive?

A Fleet Sales Executive is defined as a person who is registered in the Nissan Academy under Fleet Manager or Fleet Sales Consultant and conducts the day to day Fleet business within the sales department and works directly with Business, National Fleet, not for profit, Premium Fleet and Government sales types as described in the Nissan Fleet Plan date April 2025. Both roles are allocated the same point earning structure. Any member not fulfilling this requirement is deemed to be ineligible for the role within the ELITE.

Who is a Retail Sales Consultant?
